

FEARHOUSE NYC Has As A Treat For You

It's Halloween week and if you don't have plans, here's the perfect one for you. RPM presents is throwing something YOU need to be a part of. And, it's not just for one night, it's for two. Prepare yourself for FEARHOUSE NYC.

RPM Presents FEARHOUSE NYC : Borgore, Ganja White Night

October 26 @ The Brooklyn Hangar

✖ FEARHOUSE NYC is an exclusive event hosted by RPM Presents. With a fully stacked lineup, RPM Presents really went all out to put on the best shows of the weekend. Personally, it's the way to go this Friday and Saturday. Also, with Borgore and Ganja White Night co-headlining, we are shaking with anticipation. The overwhelm of talented producers on Friday's lineup is the cherry toppler. Performing at The Brooklyn Hangar, the warehouse provides enough space to rage and to enjoy your favorite producers. From artists such as **Gammer**, **Yultron**, **Spock**, and **Tisoki**, you can only imagine the hypeness.

You will not be disappointed! The event is 18+ and a valid ID to enter the event. The tickets will be found on Ticketfly and you can purchase them [here](#).

Dimitri Vegas & Like Mike,

October 27 @ The Brooklyn Hangar

The second event RPM Presents is showcasing is Dimitri Vegas & Like Mike. Voted #2 DJ duo in the world on [The Top 100 DJs](#) by DJ Mag, do NOT miss the opportunity to do crowd control with Dimitri Vegas and Like Mike. Amazingly, they will also be playing the same venue that Borgore and Ganja White Night the night before.

The event is 18+ and a valid ID to enter the event. The tickets will be found on Ticketfly and you can purchase them [here](#).

We thank you RPM presents for bringing a dynamic Halloween weekend to NYC.

Which event will you be choosing? Comment below what show you're going to and what you're most excited for!
